BRODHEAD.

Dr. T. J. Stone has returned to his home at Tazewell, Tenn., after spending a few days here the guest of Dr. O. O. Stone, at the Frith Hotel. Miss Clyde Watson left Tuesday for Mt. Vernon where she entered Brown Memorial School. Mrs. J. W. Myers and children, of Richmond, Ky., are visiting Mr. and Mrs. H. L. Tharp. Miss Daisy Wilkerson has returned to her home at Liberty after spending two weeks at Frith Hotel the guest of Mrs. M. S. Durham.

Miss Ella Dunn, after spending two weeks with Mrs. J. G. Frith has returned to her home at Danville. Mr. and Mrs. H. H. Hutcherson were guests of Mr. and Mrs. M. B. Salin, at Mt. Vernon. C. C. Cable will leave for Havana, Cuba, Tuesday where he holds a very lucrative position with the Snare & Triest Co. as an erecting engineer. Chas. R. Pike returned to Knoxville, Tenn., Tuesday, after spending two weeks with parents here. Miss Delia Flynn is visiting relatives in Louisville. Mrs. Mary Albright is numbered among our sick this week. B. R. Wilmott was up from Lebanon Junction the latter part of last week. D. B. Rambo was in Maywood on business first part of week.

John D. Pike returned to Lebanon Junction first of week after spending a few days with parents here. Misses Clyde and Mattie Wilmott were guests of their cousin W. H. Leece, on Copper creek from Saturday until Monday. C. C. Cable was in Danville doing society there from Friday until Tuesday. Dr. W. A. Jones, of Wildie, was here Tuesday to see Dr. W. F. Carter. Emery Albright is back from week's visit to lady friends in Barboursville. Jno. Robins and wife are visiting relatives in Garrard county. Work in all three degrees at Masonic lodge Monday night Sept. 2nd. All neighboring lodges invited to attend. The ad-writer had the pleasure of spending last Sunday on Copper creek with Wade H. Leece, and it was as

pleasant as any one ever spent. At the proper time dinner was announced and the table was laden with everything that is good to the appetite. If you don't think I did justice to it just ask Squire Leece and his most estimable wife about it. The Hop Club's second dance was really a greater success than the first one. Those attending from a distance were, Misses Daisy Wilkerson, Cora and Ada Wesley, of Liberty, Miss Ella Dunn, of Danville and Miss Carrie Frith, of Gum Sulphur and Messrs Leece, of Monticello and Perkins, of Cincinnati, Cable, of Havana, Carter, of Louisville. They all report the best and happiest moments spent there that night. We are very sorry to hear of Mrs. F. L. Thompson's illness, but hope for her a rapid recovery. M. C. Albright was in Berea on business this week. J. R. Cass purchased of Granville Leece one bay mare 7 years old for \$160.00. Miss Lyda Hilton is spending a few days with her brother, L. B. Hilton at Rowland. Drummers are as thick as fleas on a dog's back in Brodhead this week—6 to each merchant on an average—but I've got no kick coming as I am in the hotel business, so come on boys, the more the merrier. Jno. E. Evans, M. C. Albright and M. B. Bowling are attending the London fair this week. Quite a crowd from Mt. Vernon attended the hop at the Frith Hotel Monday night. Among them were Misses Fannie and Alza Thompson, Bulah Smith, Maude Graham, Anna Tate, and Mr. and Mrs. Chas. C. Davis, and Messrs W. H. Krueger, Cossie D. Sutton, Victor C. Tate and Maurice Brown. Come again you are always welcome. M. B. Bowling returned from his home in Laurel County Wednesday where he had been for ten days sick.

The influence of foreign trade sent wheat prices up the latter part of the week at Chicago after they had declined from the earlier advance. A weather bulletin from last Sunday on Copper creek with the Canadian Pacific railroad sent prices soaring.

Seventeen thousand machinists in greater New York have asked for an increase of twenty-five cents per day. They have been notified by the New York and New Jersey branch of the National Metal Trades Association that in the present state of trade their request cannot be granted. They have threatened to strike to enforce their demands.

LAND, STOCK AND CROP

Ed. Clark of Little Rock, sold 28 head of 1250 lb. cattle to Boardman & Whaley, to be delivered in Oct. at \$4.50.....S. R. Burris, of Little Rock, sold 50 125-lbs. hogs to be delivered Sept. 1, to Boardman & Whaley at \$5.60—Mt. Sterling Advocate.

Nicholasville Court.—The Lexington Herald Bureau reports court at Nicholasville Monday as follows: County court to day was well attended but little business was transacted and few sales are reported. J. B. Chambers makes the following report: 100 stock hogs were sold at 5 1/2 cts; 9 two-year-old cattle at \$22.75; 15 extra two-year-old steers at 27.00; 200 sheep at \$6.00 per head; milch cows brought from \$30.00 to \$45.00. The horse market was dull, horses selling at Spears & Hare's sale for from \$110 to \$225.

Stock ewes seem to be in demand. Thomas McClintock & Sons sold 40 head to W. F. Heathman at \$6 per head, and 35 head to Alfred Clay at \$6.50 per head. The same firm sold to Tom Marshal a pair of six-year-old mare mules for \$350.Nearly every bunch of export cattle in the county has been sold and by the close of the month will have found their way to Eastern Markets. This is also true of lambs, but few flocks remain in the hands of farmers. Hogs have taken upward tendency, with a corresponding advance in cured meats and lard. Thomas McClintock & Sons shipped last week three double deck loads of lambs and one car of fat hogs the latter costing 5 to 6 cents.—Bourbon News.

Mt. Sterling Court.—The Advocate says: A conservative estimate of the number of cattle on the market is 6,000 head. Every pen was full and a great many left in the country for want of room. Some traders would sell out their pens and then bring in more cattle some filling their pens three times during the day. Very few heavy weight steers on the market at September and October court days

BROWN MEMORIAL SCHOOL.

Strong teachers in all departments—High School, Grammar, Intermediate, Primary, Music, Cooking, and Sewing. Only three places left in the dormitory and cottages, but good homes in the town are open to students. Terms: Board and tuition, \$105.00. Tuition alone: \$50.00, \$20.00, \$15.00. is the time they are brought in. Trade was very brisk and the scales were busy all day weighing. The best 1,000 lb. steers sold at 4 1/2 cents with light weight stuff at \$3.75 to \$4.25 Yearlings at \$4 to \$4.25. Heifers were a little off and they sold at from 3 to 3 1/2 cts. very few selling at the last named price. Cows at 2 cents to 3 cents, with bulls at 2 to 2 1/2. Very few sheep in the market. Large crowd at the pens and most of them buyers as trade was as brisk as we ever saw it. A good deal of complaint from buyers from other counties that there was no pens to be had to lot stock while they were completing their purchasing. We need some pens of this sort and some one can get a good revenue by fitting up some lots near the pens. Among the sales were the following: 8 steers, 825 lbs., at \$4; 11 heifers, 600 lbs., at \$3.35; 40 heifers, 600 lbs., at \$3.25; 10 steers 1,050 lbs., at \$4.50; 35 yearling steers, 700 lbs., at \$4.05; 11 heifers, 600 lbs., at \$3.30; 31 heifers, 700 lbs., at \$3.35; 6 steers, 700 lbs., at \$3.15; 14 bulls and cows, at \$2.75; 16 yearlings, 450 lbs., at \$3.50; 12 steers 650 lbs., at \$3.75; 9 yearlings 700 lbs. at \$4; 10 yearlings 720 lbs.

Oil operations in the Kentucky fields have been such as greatly encourage the operators and the outlook is considerably brighter. Good strikes have been made in Wayne and Wolf counties and new fields are being tested with good results.

KENTUCKY STATE FAIR AT CHURCHILL DOWNS.

Historic race courses at Louisville will be location of 1907 exhibition.

After three weeks of negotiations with the owners of Douglas park at Louisville, resulting in a failure to induce them to lease the grounds for the 1907 Kentucky State Fair, pending the clearing of the title to the property, and adjustment of other matters in connection with the purchase of the track and buildings as a permanent location, the Kentucky State Board of Agriculture has been given the use of Churchill Downs at Louisville for holding this year's exhibition during the week of September 16. The Kentucky State Fair will therefore be held on the dates mentioned, at historic Churchill Downs where the fair last year was held.

Messrs. Charles F. Grainger and Matt J. Winn, representing the Churchill Downs interest have agreed to the use of these grounds and a committee representing the State Board has extended to them a vote of cordial thanks for their liberality in the matter, inasmuch as the grounds are tendered to the State Fair upon terms agreeable to the State Fair management.

Churchill Downs, while a typical race course, is considered to be the best equipped State Fair grounds in the south, with the possible exception of the Texas Fair grounds. There will be an abundance of stall room for all kinds of live stock, there is a big grand stand and there are buildings suitable for the departments which must be shown indoors.

The entry list in the different exhibit departments is the history of the Kentucky State Fair, at this time, three weeks prior to the exhibition.

The State Fair management is spending over \$7,000 in exploitation and expects record breaking attendance daily. Some of the greatest amusement enterprises in the country have been contracted with for State Fair week.

FIREWORKS NIGHTLY.

ERUPTION OF VESUVIUS TO BE REPRODUCED.

PAIN'S FAMOUS PYROTECHNICS

One of the Most Remarkable Amusements Ever Shown in the South.

Whether or not it is the promise held out to us in the rainbow that the earth will not again be destroyed by water but by fire, the interest in fire works is as old as history, or at least runs back to the period when they were first introduced hundreds of years ago in China. To make a big event entirely a success, it is almost necessary to add to the amusement features a great fire works exhibition. This has been done by the State Board of Agriculture, under whose auspices the Kentucky State Fair is to be held in Louisville, September 16 to 21. A contract has been closed with Pain's Pyrotechnic Co. to bring from New York complete, Pain's new monstrous spectacle, "Vesuvius," a gigantic reproduction of Naples and Vesuvius. This is an exact picture, 350 feet in length and fifty feet high, of the modern city of Naples and of Vesuvius, from sketches and views taken on the spot by Pain's special artists and reproduced by the eminent scenic artists, Messrs. Reed and Rafter, and their assistants. It is the most elaborate spectacle and summer night's fete and illumination ever attempted. It depicts the "Carnival of Naples" and the eruption of Vesuvius as they occurred on the night of April 3 and 4, 1906.

The subject lends itself to the most gorgeous of scenic environment, and the most wonderful electric and pyrotechnic effects. Two immense acts are devoted to the production. The "Carnival of Naples" is attended by the King and Queen of Italy, and other crowned heads. The streets of Naples are shown on a fete day; the populace and visitors are in gala attire; there is a feast of lanterns and ballet chorus, concluding with the introduction of some wonderful European specialties. While the carnival is at its height, a small curl of smoke begins to ascend from Vesuvius. The alarm begins and increases as the mountain rapidly belches out its lurid flames and seething ashes.

The first act is concluded and the second, the awe-inspiring calamity, is begun. Refugees crowd into the city; the King and Queen depart for a town in the mountains; there is mass in the cathedral. Old Vesuvius, in tremendous detonations, speaks angrily to the inhabitants for scores of miles around; the rain of ashes with rivers of lava continue, and the destruction of the city is complete.

This great spectacle is to be given nightly at the Kentucky State Fair grounds, to be followed by Pain's wonderful fire works, the display of which will be changed each night.

The contract made between the Pain's Pyrotechnic Company and the State Board of Agriculture, calls upon the former to bring the entire Manhattan Beach production, as produced at Manhattan Beach, Conn. and New York. There are 250 performers, properly and splendidly costumed. The fire works program covers fifty numbers consisting of all of Pain's latest novel ties.

"YOU TAKE YOUR CHOICE"

Races of Every Known Form at Kentucky State Fair.

It is said of the Kentuckian that half of his cranium is filled with brain matter and the other half with miniature horseshoes. The ability of the citizen of old Kentucky to gain eminence demonstrates clearly the truthfulness of the first half of the statement, and his love of a horse race indicates that the latter half is by no means an untruth. The Kentucky State Fair, which will run for six great days at Louisville, beginning September 16th holds out special inducements to every one, whether or not a Kentuckian, to polish up the horseshoes imbedded in his head by reflected glory.

The State Fair management has arranged a most interesting speed program covering trotting, pacing and running races. As the new home of the State Fair, which was Douglas Park, has the fastest trotting track in this country, and perhaps in the world, many records are expected to be smashed during this meeting. Those who have been robbed of horseshoes beneath their scalps through constant contact with rubber tire that carry gasoline tanks, will find in the automobile races that which appeals to them, while others who have turned their thoughts from things terrestrial to things celestial, will gain their desires in the balloon races.

The Kentucky State Fair has in its making the promotion of the breeding interests of Kentucky, a college to educate the people of the whole south to the recognition of the value of the best grades of all kinds of live stock.

The most exciting of aerial sports—balloon races—will be on the amusement program of the Kentucky State Fair.

There will be 2,689 awards, an average of 418 awards a day for six days, at the Kentucky State Fair.

The body of a moth contains over 4,061 muscles.

Half the negroes in the United States are under 19.4 years of age.

The attendance will go over one hundred for the fall term which is most encouraging to the principal, Miss Ida M. Taylor who has labored unceasingly for the building up of the school.

"Uncle" Horace Newcomb, colored, who was a playmate of many of our older citizens, dozens of whom have passed over, died at his residence in Louisville, on Presto street, on Friday afternoon last aged about 85. He went from Mt. Vernon to Louisville with the family of W. P. Newcomb in 1870 and remained in their service until the family returned to Rockcastle. Since that time until his death he was engaged in the livery stable business. He was, the soul of honor and was universally respected by all who knew him. He was a hard worker and charitable to a remarkable degree. He leaves a nice little fortune. Amanda Modrell, his only near relative here, attended the burial which took place on Monday, being postponed one day awaiting her arrival.

A new device for delivering orders to passenger and freight trainmen on the Pennsylvania because operative at noon to day. To obviate the necessity for stopping trains the trainmen will receive their orders while going top speed. The order will be attached to hoops placed on poles outside the telegraph towers and as the train shoots by the by engineer or conductor will run his arm through the hoop containing his orders and take it along. The hoops are to be turned into the roundhouse at the run—Ex.

The above mentioned device was used by railroad agent at Mt. Vernon nearly twenty years ago to deliver message to trainmen without stopping train. James Maret was agent.

BIG ENTERPRISE:—A deal which is now on, if consummated will mean a big enterprise for Mt. Vernon. On last Friday W. J. Sparks and S. W. Davis took a thirty days option on the farm of R. B. Mullins, better known as the old Adams farm. It is the purpose of Messrs Sparks and Davis to put in a crusher and lime kiln near the cut, a short distance this side of No. 1 tunnel. While it is known that the rock suitable for ballast purpose is there in abundance, yet the question to decide is whether or not the rock is suitable for lime, which will be thoroughly tested and if so found to be, the work will be started at once which will mean much for Mt. Vernon. Later information says that the deal will be a go and the rock crusher installed whether the rock is suitable for lime or not but as we did not get this direct, do not give it as altogether reliable.

DIED:—Last Friday morning August 23rd. at 9:55 o'clock, death visited the home of Mr. and Mrs. David Hysinger, selected for its victim their beautiful daughter, Ada, aged twenty. She was a victim of that awful disease consumption having been sick about 10 mo. She bore her suffering without a murmur always seeming cheerful, greeting her friends with a smile day she died.

She leaves a father, mother, three sisters and six brothers, S. D., Wm., Jack, Wade, Burgess, Roscoe, Misses Carrie and Louise and Mrs. Annie Rogers and a host of friends to mourn her loss.

She became a member of the Christian church at Rose Hill five years ago and has been a faithful member always in her place in church and Sunday-school.

The funeral services were conducted by Revs. M. G. Fish and A. J. Pike at the Rose Hill church. A large number of her sorrowing friends followed her remains to their last resting place in the family burying ground near the church.

The family have the deepest sympathy of the whole community in their sad bereavement.

Livingston, Ky., Aug. 27th 1907
Editor Signal:—

The men who settled this country were of a strong religious character, whether we take the Puritans of New England, the Quakers and Scotch Irish of Pennsylvania, the Catholics of Maryland, the Cavaliers of Virginia or the Huguenots of the Carolinas. They have all left their impress on the achievements of our country and we of to-day would do well to follow in their illustrious footsteps.

While building their hearthstones and homes they did not fail to erect their family altars, and along with the labor of tilling their lands they built the schoolhouse and church. They feared God and kept his commandments. Realizing they were laying the foundations of a Republic they recognized God in everything. Toiling hard six days in the week blazing their way through the wilderness they "remembered the Sabbath day to keep it holy."

Of course, men of such strong convictions and holding principals such as our forefathers held were bound to have faults, yet their virtues far out weighed the faults, so that looking back upon them we can to "their faults be blind and to their virtues very kind."

Men to-day rail about the old blue laws of New England and Cotton Mather. Mr. Henry Watter-son, the distinguished orator and journalist had considerable to say in criticism of these laws and the men who made them in his address at Lexington a few weeks ago.

We of this generation are fast getting away from the old things and in our drifting it seems we are losing some of the best things in the life of our country.

There are those who can look back to their childhood day and recall the pleasant afternoons, when after attendance at church and Sunday-school, mother would gather the children together and tell them some of those beautiful old Bible stories--old yet always new. To-day it is different. Sunday is the day of amusement and sports, excursions, picnics, baseball etc.

We are living in a materialistic

age and it is crowding the finer and nobler things out of our national and individual lives. The influx of foreigners to our shores, and the high tension of which so many of those in our great cities live, is given as the reason for the change in our observance of the Sabbath day.

While that may be true of the cities, it certainly does not hold good in this section of the country. Here is a portion where there are no foreigners but all Americans of the purest stock. Furthermore, to a large extent the population is pastoral and rural, so the excuse, working from early morn to late at night with no time for recreation that is made in our cities does not hold good here.

Is not the lack of home training and the decline of family worship the cause of so much Sabbath desecration in this section? Are we willing and can we afford for a little bit of pleasure to lower our ideals of life and set such a bad example before the rising generation the hope of our country?

France and Spain, once nations of glory and power, now fading into obscurity, are examples of what sabbath breaking leads to. Are we willing to forego the honor, pleasure and privilege of rehearsing to our children the glories of the past by a little folly on our part? Whither are we drifting? Let us halt and take our bearings. A Sabbath well spent

Brings a week of content, And health for the toils of the morrow;

While a Sabbath profaned, Whatsoever be gained Is a sure forerunner of sorrow.

Nerve Sick

If weak, worn-out, nervous, cannot sleep; have indigestion, headache, neuralgia or periodic pains, it is because your nerves are weak. It is the lack of nerve force that makes the stomach, heart, lungs, etc., work imperfectly—become sick. Dr. Miles' Nervine cures the sick when it restores nerve strength, and puts the power behind the organs to do their work.

"Almost three years I suffered from nervousness, indigestion and palpitation of the heart. I could not eat or sleep with comfort. I was in a bad condition. My doctor did not seem to do me any good. I had tried so many remedies that I did not have much hope of any of them doing me any good. Dr. Miles' Nervine was suggested by a friend. I got relief from the first, and after a few days I felt like a new person. I not only relieved my heart and nerves, but has invigorated my whole system. I am very grateful because since I have stopped using it, I have had absolutely no return of my old trouble."

"SIX GREAT DAYS."

POPULAR BELIEF IN KENTUCKY STATE FAIR.

SPECIAL FEATURES ARRANGED.

Program Announced For Every Day and Every Night—All Are to Be Elaborate.

Six special days and as many special nights mean that the Kentucky State Fair will fulfill its promise to have something doing every minute of six great days and nights during the week of September 16th at Louisville. Col. W. W. Hite, President of the Louisville Board of Trade, is the General Chairman of the Committee on Special Days, and has announced the following:

Monday, September 16—School Children's Day. C. B. Nordeman, Member Louisville School Board, Chairman.

Tuesday, September 17—Fraternal Day. R. S. Brown, President Louisville Commercial Club, Chairman.

Wednesday, September 18—Louisville Day. Geo. G. Fetter, Director Louisville Board of Trade, Chairman.

Thursday, September 19—Kentucky Day. Lew B. Brown, of Harrodsburg, President Kentucky Press Association, Chairman.

Friday, September 20—Southern Indiana Day. Adam Heimberger, President New Albany Commercial Club, Chairman.

Saturday, September 21—Everybody's Day. Everybody, Chairman. The Special Nights Committee is headed by J. V. Beckmann, Manager of the Retail Merchants' Association, who has announced the special nights as follows:

Monday, September 16—German-American Night. F. W. Kelsker, Chairman.

Tuesday, September 17—Irish-American Night. Thos. McCabe, Chairman.

Wednesday, September 18—Labor Night. John Young, President Louisville Federation of Labor, Chairman.

Thursday, September 19—Press Night. Young E. Allison, Chairman.

Friday, September 20—Military Night. Col. W. B. Haldeman, Colonel Commanding First Kentucky Regiment, Chairman.

Saturday, September 21—Farewell Night. Smith T. Bailey, Chairman.

Mr. Nordeman expects School Children's Day to bring little folks not only from Louisville, but from all over the State. He has appointed every county and city school superintendent in Kentucky as a member of his committee.

For Fraternal Day, a large tent will be erected where headquarters may be opened by representatives of all fraternal organizations, to receive, welcome and register guests. It is the hope of Col. Brown to have a series of drills by the uniform ranks of the different organizations.

Mr. Fetter will have the active cooperation of commercial, industrial, financial and professional organizations in making Louisville Day on that will put it in red letters on the Fair calendar.

No one will be bold enough, however, to challenge the popularity of Kentucky Day. Every indication points to its being the banner day of the week. Mr. Brown has named many prominent editors of Kentucky as his associates on this committee. He is counting upon several large excursions from different points. The editors will hold a rally on the night of Kentucky Day, which is known as Press Night and Col. Allison is arranging a very attractive program. Press headquarters are to be established at the Fair grounds.

Mr. Heimberger is not only appointing Southern Indiana editors, but heads of commercial organizations in that section, as members of the Southern Indiana Day Committee.

The programs for every night will be attractive. This will be especially true of Military Night, when the First Regiment will give an exhibition drill in front of the grand stand.

While the days and nights have been given some special name, it does not follow that the State Fair management wishes to confine the attendance to those interested in the way that the name indicates. On the contrary, the State Board of Agriculture invites everybody to come every day and every night.

At a great outlay of money the State Board of Agriculture has contracted with Captain Roy Knabenshue to bring his passenger-carrying airship, the marvel of the century, to the Kentucky State Fair, September 16 to 21 and give daily flights and exhibitions with a night ride in the air guided by a searchlight.

Pain's famous Manhattan Beach fire works and a gigantic pyrotechnic spectacle, the eruption of Vesuvius, an actual reproduction of the awe-inspiring calamity of 1906, will be given nightly in front of the grand stand at the Kentucky State Fair in Louisville, September 16 to 21.

A State Fair ribbon has the backing of the Commonwealth of Kentucky. It is a trophy of big value aside from the money that accompanies it.

Sensational acrobatic acts will be given free each day at the Kentucky State Fair, in front of the grand stand.

GREAT BARGAIN:—For sale 198 acres land on waters of Roundstone creek, near slate tunnel. No improvements and only such timber as necessary to supply the necessary use on the land. 40 acres ridge land and level. Would make an ideal stock farm. \$297 or \$1.50 per acre takes the boundary. For further information address R. L. McPerron, Mt. Vernon, Ky., or this office.

THE LIMIT OF LIFE.

The most eminent medical scientists are unanimous in the conclusion that the generally accepted limitation of human life is many years below the attainment possible with the advanced knowledge of which the race is now possessed. The critical period, that determines its duration, seems to be between 40 and 60; the proper care of the body during this decade cannot be too strongly urged; carelessness then being fatal to longevity. Nature's best helper after 50 is Electric Bitters, the scientific tonic medicine that revitalizes every organ of the body. Guaranteed by Chas. C. Davis druggist, 50c.

The entire State of Alabama is

A Mild Laxative For Baby's Bowels

The infant or the child should not be given salts, purgative waters or harsh pills or tablets when the bowels are constipated, and neither should any medicine be used that contains a narcotic. It is well for mothers to remember that there is no better, gentler or more effective remedy for children's stomach and bowel troubles than Dr. Caldwell's Syrup Pepsin. Its purity and mildness make it especially adapted to young people's use. It works gently but surely, and containing, as it does, many tonic ingredients, it not only cleans out the congested bowels, but tones the system and makes the child feel better in every way.

Among the thousands who are using Dr. Caldwell's Syrup Pepsin is Mrs. Spalding, of Mayfield, Ky., and she writes that she gives it to her baby regularly and she would not be without it. She has used it herself for a long time and she knows.

Mothers will find it an invaluable remedy for old and young in constipation, dyspepsia, liver trouble, diarrhea, colic, worms, and the many other ills that afflict the stomach and bowels. It is guaranteed to do what we claim, and by its use a home cure at very little cost is easily brought about.

Children are often troubled with skin diseases, are backward in school, lose weight and do not care to eat or play, when all that is really the matter with them is stomach trouble. Dr. Caldwell's Syrup Pepsin will correct. Go to your druggist to-day and buy a bottle and see how quickly the child gets well again. It is a good thing for the whole family to use in stomach, liver and bowel complaints. A 50 cent bottle has often restored an entire family.

FREE TEST Those wishing to try Dr. Caldwell's Syrup Pepsin before buying can have a free sample bottle sent to their home by enclosing the coupon. This offer is to prove that the remedy will do as we claim, and is only open to those who have never taken it. Send for it if you have any symptoms of stomach, liver or bowel disease. Gentlest and most effective laxative for children, women and old folks. A guaranteed, permanent home cure. THE PUBLIC VERDICT: "No Laxative So Good and Sure as DR. CALDWELL'S SYRUP PEP SIN."
